Subject: Will Bloom Settle With EPA Before Michael Regan Takes Over?
Attachments: BLOOM EPA MEETING WITH SERVIDIO Visitor Log 9.pdf

I have good reason to believe that Wheeler and his team will make the final settlement with Bloom Energy before Michael Regan takes over. I will certainly find out under FOIA or deposition what went on.

Mr. Regan I intend to sue the EPA for the whistleblower fee for my share of the HAZMAT settlement. I know that EPA Region 3 had a secret meeting with Patrick McCormick on September 11, 2018. Patrick is the man Murky Murkowski loaned to Bloom Energy for two years to squash the EPA fine for which I am the tipster.

EPA refused to meet with me after I found out that Servidio had this secret meeting with Patrick McCormick and Bloom's lawyers from Hogan Lovells.

Mr. Regan I have worked for 8 years to expose Bloom and that investigation has revealed that Joe Biden and his late son Beau Biden played roles in the Bloomdoggie in Delaware. Mr. Regan we will soon find out if you are for ENVIRONMENTAL JUSTICE or are just another Bull Sh***er.

Mr. Regan, be very careful of Jared Huffman. He is GANGRENE not GREEN and he is one of the original architects of the Bloomdoggie in California.
